LA SUITE HOTEL & SPA PROCIDA - Procida, Italy

Campania, Italy has so much to offer that it would be shame to pass it by just to join the traffic jams heading for the Amalfi Coast. At the northernmost point of the half moon shape made by the Bay of Naples, on the island of Procida, the 15-room Suite is set in a half-acre of peaceful, fragrant gardens and olive groves, proving that this beautiful region is worth the detour.
